

Two Best Practices of the institution 2020-2021

**Best Practice - 2.** Title of the Practice: Social Service activities with community & Cultural Events in pandemic

**2. Objectives of the Practice –**

- a. To Comprehend the concept of social service.
- b. To Participate in various social service activities
- c. To Develop positive attitude to serve community in different ways.
- d. To Promote and motivate hidden talent

**3. The Context**

Our college always emphasis on all rounded development of students for the same purpose we organise various programmes for them. Social service activity is one of them. Students visited Oldage Homes and learnt many things and arranged many online cultural activities.

**4. The Practice**

Social service activities were organized according to guidelines given by Savitribai Phule Pune University. We have planned the social service activity in the group. We have given freedom to group incharge to select theme and core Idea related activity and accordingly plan and procedure the social service activity within the group as per the directions by the University mine group has selected one COVID WARRIER who dedicatedly work for the COVID 19 patient. group no:-3, called by Dr.Amol Chavan to Shri Ashok Pawar sir, senior teacher of BJS school, wagholi, pune. for sharing the experience on COVID 19 IS NOT GONE YET. to the student teacher during the covid-19 panoramic.

Group no:- 4 Asst.Prof.Ashwini Kadbane and professor Ashwini Thorat have organized one guest lecture on natural disaster landslide. One of the experts who gave time to that group according to the schedule expert head put their views and shared experience with the student teacher.

Group no. 5 Dr Prajakta medhekar organized one guest lecture based on the current situation which is related to national disaster. All the group students were involved in that activity and enjoyed a lot Professor Vishakha Bhalerao where present as an expert to put expertise view on the cyclone natural disaster.

**Social service activity planning**

Date:- 11/08/2021      Time:- 5.30 to 7:00

1	1 APG	Waste Management	Mrs.Karuna Pharande
2	2 KVN	Disaster Management	Shri. Rahul Garad
3	3 ASC	COVID is not gone yet	Shri. Ashok Pawar
4	4 ASK	Landslide	Vijay Vibhute
5	5 PRM	Cyclone	Vishakha Bhalerao
6	6 ALT	Landslide	Vijay Vibhute
7	7 VRT	Disaster Management	Vijay Vibhute

Co- curricular activities. College has conducted all events in an online mode only. Of course it's open to all due to paradomic negative influence of Covid 19 on human life. We have organized all events of co curricular activities on the zoom platform.

College has organized total of 8 events within a short period. The first event was the celebration of Chhatrapati Shivaji Maharaj Jayanti on online mode(19th Februray2021) . So the college made available the program sticker to students and students participated that program and share the screenshot of their participation on the WhatsApp group. Second mode is available for students according to their availability. They can visit any Shiv Jayanti celebration and festival and note down reports on the same experience.

Second Activity was celebration of National science day, 28th February 2021.

According to suggestion by principal we finalized an essay writing on greatest scientist. Accordingly student select the name and post on WhatsApp group within time Period. All student completed there activity and submitted to respective group incharge for assessment process.

Selection of scientists and information collection criteria was scientists in any field who contributed to human development.

Third event celebration of International Women's Day on 8<sup>th</sup> March 2021.

The whole world celebrates 8<sup>th</sup> March as women's day in our college . We also celebrated it. Dr.Aarti Gangurde was the chief guest . She motivate students to understand and realise yourlife. Be confident and raise yourself .

Forth event was Labour Day which is celebrated as Maharashtra Day 1st May 2021.

According to the sacrifice of freedom fighters of Maharashtra state, we remember all the freedom protect the unity of Maharashtra state. On this day students participate voluntarily to express their views regarding Maharashtra state this program was conducted successfully by the student and for the student.

Fifth event was participation in the one week yoga workshop organized by Savitribai Phule Pune University Department of physical education and extension Ganeshkhind,Pune 07. This program was planne from 22th to 29th June 2021 not only for students but also for family members also. **"Yoga at home and yoga with family."** Accordingly we have shared the brochure with students and informed them to join the seven days workshop of yoga for family members. At the end of the workshop we instructed the students to make a report on the program and submit it to the group incharge.

Every year we physically organize Mega event annual gatherings for student teachers but in the pandemic period we have some limitations that's why we have not planned annual gatherings but students should not deprive the experience of the activity. We organized activities for student and teacher i.e Rangoli competition and cookery competition.

According to guidelines and previous year experience and current situation we have been made a one judges team which is going to judge. Rangolis of the student teacher. Dr. Aarti Gangurde jugged each and every Rangoli as well as recipe made by the student accordingly at the end been announced the winners name and students get a chunk of experience of the annual gathering program.

## **5. Evidence of Success**

Social Awareness is very important in student life for good citizen social sensitivity is essential. We have tride to develop social awareness and social sensitivity among students. Students got very good exposure for cultural Programs & very good experience.

## Best Practice 1

The whole world was suffering from pandemic situation. In India also lockdown was announced by central government. All of doors of educational institutions also get shut down but after few days online mode was started. In education also online teaching learning process get started.

**1. Title of the Practice:** Teaching learning through technology.

**2. Objectives of the Practice –**

1. To facilitate the teaching learning process during Pandemic situation.
2. To update teachers and students for the use of technology in education system

**3. The Context :** Technology should be used effectively when Physically we Can not attend school and colleges. but the process of teaching- learning should be continued .

**4. The Practice**

1. All the teachers get acquainted with how to use online Platform for teaching-

learning process. Initially all Professor started using zoom Platform for teaching-learning. Teacher used Various teaching aids, ppt to simplify the Content

2. our professors also developed e-content and as SPPU has appealed to share their intellectual work for all students, our professor uploaded their e-content ppt, on etc. on university site. having free access to all.

3. our professors groomed and polished themselves For the effective use of technology. They use various apps an its features for smoothing teaching learning Process.

- a. Our professor used zoom app with break out room facility. Which is really good for making groups of students for group discussion. They also used white board and board in zoom meetings.
- b. They used paddle app for uploading pictures, videos or text. Our professors have prepared educational videos uploaded on you tube. They have effectively used Blogger, google classroom. Where they have shared their study materials on google classroom.
